

Bay Area Quilt Guild Scrap Exchange

General Instructions

1. Use only good quality 100% cotton fabric and thread. Pre-wash all fabric.
2. Seams must be an accurate $\frac{1}{4}$ " - please measure your own blocks in stages and the completed blocks before turning in.
3. If you choose to make more sets than the minimum required per instructions, each new set must be done in different fabrics. Label each additional pinned group as #2.
4. No duplicates in a pinned group unless stated in the instructions.
5. No IOUs.
6. Press blocks from the back first to make sure seam allowances are going the correct direction, then press the front to check for accuracy of points. Trim all threads and clip nubs. DO NOT trim block or square it up...as this cuts off points.
7. Pin blocks into groups according to the instructions and label each pinned group with your name and phone number. Place labeled pinned groups in a large baggie and label the outside with your name, phone number and the number of pinned groups traded. Remember one pinned group per person goes to the guild.
8. If you stitch blocks to trade together instead of pinning, please use ONLY 2 or 3 large basting stitches. DO NOT stick name labels to blocks, please use pins or basting stitch.

Terminology: SET - all blocks from the same fabric

PINNED GROUPS - one block from each SET for maximum variety - no repeats
